Innovative technologies continue to alter the retail and consumer goods space, especially following rapid adoption and advancement during the pandemic. We will examine three key transformative technologies— facial recognition, voice technology, and virtual reality— that promise to shape business risk allocation through their impact on the regulatory and legal environment.

Event Details

Wednesday, May 25, 2022

1:30 p.m. - 2:30 p.m. Eastern Time

Webinar

CLE Credit

MCLE credit approval is pending. To meet MCLE sponsor attendance verification requirements, you will be required to answer poll questions that appear on screen during the program. Please answer each poll question posed throughout the program; to ensure poll questions are viewable, do not use full-screen mode. Kilpatrick Townsend & Stockton LLP will apply for CLE credit when eligible in Georgia, California, Colorado, New York, North Carolina, Texas, Virginia, and Washington. For states not listed, a Certificate of Attendance that lawyers may use to claim credit based on reciprocity or self-apply for credit will be provided. Credit generally is submitted or certificates issued within 30 days of the course or post-program approval. Please note approval can take up to 90 days and this program is not eligible in PA for virtual participation.
