Legal Developments in Ethical Issues in Intellectual Property Law: An Interactive Roundtable Discussion

ACC Colorado

Thursday, December 8, 2016 -

ACC Colorado

"Legal Developments in Ethical Issues in Intellectual Property Law: An Interactive Roundtable Discussion," ACC Colorado, December 2016.

This program begins with an update of recent legal developments followed by a group discussion on situations that raise ethical IP issues. The issues discussed will set the tone for a unique interactive approach to thinking through and navigating ethics and ethical dilemmas.
