## Christopher Davis Joins Kilpatrick Townsend in San Francisco

December 7, 2015

---

**SAN FRANCISCO (December 7)** – Kilpatrick Townsend & Stockton announced today the addition of **Christopher Davis** to the firm's **San Francisco** office as an associate in the **Electrical Engineering and Software Team** in the firm's internationally recognized Intellectual Property Department.

Mr. Davis focuses his practice on patent preparation, prosecution, and related counseling in domestic and foreign patent applications. He has experience in a variety of technologies including wireless networking, mobile broadband, video processing, and video compression.

Mr. Davis earned a J.D. from University of San Diego School of Law. He received his B.S. in Computer Science and B.A. in Political Science from the University of California, Irvine. Prior to joining private practice, Mr. Davis served as a systems engineer for the Department of Navy, Space and Naval Warfare Systems Center.
